## WELL DONE RECITAL CHOIR

Well done and congratulations to our Recital Choir for a Third Place Award at the Boroondara Eisteddfod last Sunday. This is a GREAT result, which once again highlights the outstanding work of Kate Stewart in leading our Performing Arts program.

I think the following comments from the adjudicator says it all:

*"How wonderfully well-dressed you look. You look great before you sing a single note.*

- 1. A fine start, singing in parts. Very good attention to your conductor – everyone stood well and relay performed. Pitch was always secure throughout. Good attention to dynamics in the song. A fine start to your programme.*
- 2. A very "haunting" start. Aim to accent all those quavers on 1 and 3 or they are a little pedantic. The song built up very well. Diction always came through very clearly. The observation of the differing dynamics really brought the song to life. Overall a fine duo of songs. The ensemble between the conductor, pianist and choristers was very strong – obviously very well-rehearsed. A very polished group of young singers".*

A big thank you to Kate Stewart, Robyn Murphy and Jenny Cranston for their amazing dedication and commitment to our choirs and school community.

## DISTRICT CROSS COUNTRY

Congratulations to all students who represented our school at the District Cross Country last Tuesday. For our school the main purpose of a sporting event such as this is participation. However, it is also a great opportunity and outlet for students to demonstrate their athletic ability whilst also learning about the highs and lows of competition in a healthy and supportive way .

Good luck to those students who achieved results in the top 10, which means they progress into the next level of competition.

Thank you to Jordan Daley for his passion and commitment to sport at our school and across the District. It is great to have staff like this who are so dedicated to all students, those achieving at very high levels and that just want to have a go.

## SCHOOL REVIEW PANEL DAY

Yesterday we had our final review day. This was another opportunity for the review team to complete observations of classroom practice and complete focus group sessions with staff and parents. The review team also spent time identifying some targets, key improvement strategies and some actions that will guide us in the development of our new strategic plan.

An important element of this new plan is building a clear vision for our school. This vision will be built on the learning attributes and skills our community aspires for our graduates of Greenhills Primary School.

It is interesting to reflect on what the future has in store for our students, particularly when you think that our preps of 2019 will complete secondary school in 2031! Research into this indicates that a significant number of school students will graduate into jobs that currently don't exist or that have been significantly re-shaped. The idea of a job for life is also becoming outdated with some studies estimating that Australians will make 17 changes in employers across five different careers.

The challenge in setting our vision is to determine how best to prepare our students for the changing and dynamic environments so that they are not only just able to survive but thrive. In an environment that is constantly changing, emotional resilience and a growth mindset will be vital.

In an Oxford University study, work place skills that will be in demand in 2030 include:

- Fluency of ideas: the ability to generate a number of ideas quickly – but not evaluate them immediately. A cornerstone of creative thinking and problem-solving.
- Active Learning: the act of being engaged with and participating in what's going on in the workplace, as well as collaborating with fellow employees.
- Learning strategies: reflective thinking, seeking help from others and use of trial and error.
- Originality: the capacity to transform knowledge in order to generate new ideas and concepts.
- Coordination: the ability to prioritise, refocus attention, overcome challenges and organise workload.

## WORKING BEE – SUNDAY 2<sup>nd</sup> JUNE 9AM – 12PM

At our Term 2 Working Bee this Sunday, we are aiming to complete several small projects around the school:

- Weeding & Mulching garden beds & Big Playground
- Clean up and tidy of shipping containers to make space ready for moving out of the Hall
- General tidy up of paths and walkways
- Painting steps to portable buildings (weather permitting)
- Tidying up courtyard and removing plants from vertical garden
- Preparing area for Ga-Ga Ball pit installation (future Year 5/6 Action Team project)

**We start at 9am with an OH & S briefing and we will finish at 12pm.**

*All students that attend our working bee with a parent / carer will receive a \$5 canteen voucher.*

## A CALL OUT TO HELP US BUILD A GA-GA BALL PIT

Ga-Ga is an Israeli version of dodge ball. ("Ga Ga" meaning "hit hit" in Hebrew). The game is a massive hit on the camps that our students visit and our Outdoor Spaces Year 5/6 Action Team are very keen to install a pit at school. We have identified an area along the edge of the Bruce Oval and now we need your help. If you have any skills and expertise in building retaining walls like the picture below, please contact me at the school. We would really love to make this a community build project and involve our students in the process.

**James Penson**  
Principal

**Happy Birthday to the following students celebrating their birthdays:**

**Kyan J, Cooper C, Elijah M, Francesca T, Brodie D, Parker G, Finn V, Emily L,**

**Noah K, Teagan C, Ellana T, Indi C, Malaika B**

## NEWS FROM THE OFFICE

### Greenhills Uniform Shop - change of location

Dear Greenhills Community,

Due to the hall refurbishment, which is due to commence next term, we will be relocating the Primary School Wear uniform shop from its current location at the school, to the PSW store in South Morang.

The last uniform shop day at Greenhills will be Tuesday 18<sup>th</sup> June. The PSW South Morang will commence operation on Monday 9<sup>th</sup> July. Click relocation details [here](#).

Ordering online is available from PSW website [www.psw.com.au](http://www.psw.com.au) and will be delivered to your nominated address. Delivery charges will apply.

## YEAR 5/6 STUDENT ACTION TEAM

Dear Parents/Grandparents,

As one of our major projects this year we are planning to yarn bomb one of the trees in the Green Hills area and we need your help! The 5/6 Art Action Team will be teaching other students how to finger knit, knit, crochet, make pom poms and weave. Through this process we hope to gather enough pieces to combine together in a yarn bombing installation, and make the school a more colourful and interesting place. If you have spare yarn or wool at home, preferably bright colours and not too thin, we would be delighted if you could bring it in.

We would also appreciate it if any knitters or crocheters in the Greenhills community could assist us by knitting or crocheting shapes (e.g. squares, rectangles) that we can connect together to wrap the trees.

There will be a collection box located at the main office area where donations can be placed.

Thank you for your help

## BREAD TAGS FOR WHEELS

Bread Tags for Wheels is a foundation that collects bread tags, sells them to a recycler and uses that money to purchase a wheelchair for those in need. Parade College is currently collecting bread tags to help a fellow student and has asked for our help.

Bread tags come in many shapes, sizes and colours. Made of High Impact Polystyrene they have a good recycling value. It takes 200 bread bags full of tags that are packed into 10 black bags or 200 kg of tags to bring in enough money to buy one wheelchair. Having a wheelchair gives the recipient independence and mobility and this makes a big difference to their families as well.

There is a tub at the office if you wish to help this cause. More information on the foundation can be found at

<http://www.breadtagsforwheelchairs.co.za/>

# FIRST AID

## INFLUENZA TYPE A

We've had reported cases of Influenza Type A confirmed within our community. If you or your family members have any of the following symptoms please seek medical advice- Respiratory symptoms such as coughing and sneezing, runny nose, headaches, muscle aches and fever.

## MEDICATION GUIDELINES

If children need to take medication at school, we are more than happy to administer it to your child.

Please bring the medication to the office in its original packaging and your child must collect the medication at the end of each day to take home.

Medication must not be left in school bags, lunchboxes. This is a safeguard for all our students. A **Medication Administration Instructions** form is available at the office.

## MEDICAL PLAN

If children have any type of Medical plan please ensure you bring it to the office.

# ITALIAN NEWS

Salve! Mi chiamo Elodie. Anya and Hannah and I are the 2019 Italian captains.

Today our Italian fact is about pasta and its history.

In the year 1271 a man named Marco Polo invented pasta when he came back from a trip to China. But the first reference ever about pasta in Italy, was in a very old book that was written in the year 1154. Some people think that pasta was created in China because noodles were, but most pastas were originally made and eaten in Italy. Some of the worlds most loved pastas are macaroni, fusilli, penne, ziti, linguine, lasagne and spaghetti. Did you know that it is clinically proven by Italian researchers that pasta can actually help you lose weight! Grazie for listening, have a great weekend!

## DEVELOPING HOME-SCHOOL PARTNERSHIPS — EMPATHY AND COMPASSION

Together parents and educators can improve the incidents of compassion being displayed by children, and to educate them on the importance of cooperation and kindness in everyday life. Modelling compassion on a daily basis is the best possible way for children to better understand what this behaviour means in real-world settings. What we focus on, we find. Focusing on cultivating compassion is vital to the improvement of the successful adults of our future.

Prosocial behaviours are learned behaviours, through person-to-person connections with others. The development of empathic abilities begins early in a child's life.

A better understanding of the perspective of others gives children the opportunity to practice compassion. Compassion is like a muscle, it gets stronger the more it is practiced. The more words a child can use in explaining empathy and the actions of compassion, the deeper the understanding of its importance will be. Asking, *"How do you think they felt?"* can be a powerful way to ignite a child's ability to empathise with another.

Look for the following types of compassionate strength behaviours and help kids grow the behaviour each day. Celebrate with them on what they already do and encourage the behaviour's growth.

Notice when the child....

1. Does nice things for others without expecting something in return.
2. Says encouraging things to cheer up others.
3. Shows interest in others by intentional reaches in prosocial (helping) behaviour.
4. Participates in active listening.
5. Respects privacy and avoids gossip.

The best way for kids to learn compassion is through watching models of this behaviour. Teachers, parents, and other adults need to behave this way for children to see it as valuable and find approval in copying it. Finding compassion in moments of adversity is a skill that all adults should be working to master.

Teach children self-compassion. We learn too quickly to be hard on ourselves about failure. While we all want kids to succeed, notice when your children are suffering from that failure instead. Help them to know that it is okay to fail, especially if we can learn from it.

1. Model, Model, Model. Show your children what it means to have compassion toward others and toward yourself. Be sure your interactions with children are lead with compassion.
2. When your children are involved in social interactions and building relationships, be sure to observe and praise them when noticing compassionate behaviour. Point out compassionate behaviour in others as well.
3. Help them learn self-awareness. Teaching kids to be aware that their actions affect others is vital in understanding empathic action behaviour.

## LIBRARY

### Premier's Reading Challenge

Although there are still a few months to the end of the Challenge, I encourage all students to find a few minutes to enter the books they are currently reading online using their username and password. If your child/ren has misplaced this information please see your classroom teacher. Let's read daily and get every child a certificate of completion in September!

### Library Returns/Overdues

Please remind your children to return books to the Library regularly so that they don't get an overdue notice. A Library Bag is a handy place for children to keep their book safe and ready for return on their Library day.

## SCHOOL CANTEEN

### Operating times for Term 2

Monday – closed. There will be no lunch orders or window sales available.

Tuesday – closed. There will be no lunch orders or window sales available.

Wednesday, Thursday and Friday – lunch orders and window sales as usual on these three days.

Volunteers are desperately needed to help in the canteen. You can volunteer for only one day per term if you wish. If you are interested in helping out (you are only required for approximately 1 hour on any day), please go to [www.carebookings.com.au](http://www.carebookings.com.au), type in the parent code "JGU9L" and enter the day(s) that you would be interested in helping.

## WOOLWORTHS EARN AND LEARN

Earn & Learn has started as of 1st May and goes until 25th June 2019. Stickers can be redeemed when shopping at Woolworths and they can be placed in one of three boxes -

- at St Helena Woolworths
- at Greensborough Woolworths
- at school (located at the office)

There is no need to put the stickers on a sticker sheet - they can come just as they are. Get family, friends and neighbours collecting as many stickers as they can! Last time we participated in Earn & Learn we collected enough stickers to obtain play equipment in the sandpit, resources for maths and science for classrooms and lots more.

## CHOIR NOTES

I would like to congratulate the Recital Choir for achieving 3rd place in the Primary School Choral Section of the Boroondara Eisteddfod on Sunday. The students got to perform in the beautifully restored Hawthorn Arts Centre which was a treat in itself. I would like to make a special thank you to the parents for supporting your child and allowing them to participate in this event.

The Choir also performed at the Salvation Army Corps in Briar Hill on Friday. At this event the choir sang and there was also an array of solo instrumental and small group singing performances. Once again the standard was very good, providing a really enjoyable afternoon's entertainment for the members of the Salvation Army attending and many of our loyal and supportive parents.

We also had a group of choristers attending the Introductory Rehearsal

for the Boîte Schools Chorus Sunday after the eisteddfod. This was held at the Abbotsford Convent and was led by the composer and singer Jessica Hitchcock.

It certainly was a busy couple of days. Things should settle down now for a while as our next performance is next term. Please note that the date for the Music Festival is November 20th.
