## A SUPER SHOWCASE EVENT

Thank you and well done to all students, parents, carers and friends who attended our Education Showcase Family Night as part of Education Week this year. It was great to see so many people at our school, engaged in the activities. There was a wonderful atmosphere and an overall energy about the night that was very special.

Events such as this are an important part of our Home School partnership. They enable our students to spend time with their families at school whilst also providing you as parents a greater insight into what happens at our school each day. Also it was a great opportunity to get some ideas and resources to assist your child with their learning in a fun and engaging way.

Thank you to our amazing staff team for organising and running the event. I think when you talk about our school culture, the best example of who we are and what we do was on display last night. Thank you to Ros Mackie for co-ordinating the event and Brad Ryan for setting up and managing the bookings for each session.

## THANK YOU & WELL DONE PA TEAM

Thank you and well done to our PA team and school community for an amazing achievement in managing to organise and run three fundraisers on the one day: our Election Day BBQ at school, Bunnings BBQ and Bunnings Cake Stall. It was an enormous undertaking but a GREAT day.

The funds raised will be combined with some of the money from our school fair last year to purchase new classroom furniture for our Year 3/4 students. We are also planning to direct some funds towards take home reading materials across the school.

Thank you to everyone who assisted on the day by cooking or serving a “Democracy Sausage” or baking something for the cake stall. A big shout out to Kris Headley, Margie Baxter and Irina Fainberg for organising and running these events.

## A MESSAGE FROM OUR YEAR 5/6 OUTDOOR SPACES ACTION TEAM

Attention Greenhills Community!

The Year 5/6 students have been working in action teams to make changes around Greenhills. The Outdoor Spaces action team need your help. We are planning to build a Gaga Ball Pit for students to use at recess and lunch times. This requires building a small retaining wall approximately 70-80cm high to make an enclosed space approximately 3m x 4m.

If you have the materials and/or the skills required to build this for us, please contact:

Steph Burns [burns.stephanie.s@edumail.vic.gov.au](mailto:burns.stephanie.s@edumail.vic.gov.au)

Jordan Daley [daley.jordan.w@edumail.vic.gov.au](mailto:daley.jordan.w@edumail.vic.gov.au)

Thank you for your support!

## SCHOOL REVIEW FIELDWORK DAY

On Tuesday we continued through the school review process with a “Fieldwork Day” This was a day where our staff team, students and parents participated through a range of interviews and focus groups run by our externally appointed School Reviewer, Challenge Partners and our School Council President Kelly Rogel.

It was a GREAT opportunity for the panel to get a deeper understanding of what happens at our school each day. Here are some examples of some of the questions our students provided feedback on:

- What is the best thing about your school?
- What would you like to see improved?
- Is the work you do in class interesting, challenging and helping you learn?
- How do you know you are achieving your learning goals?
- Do you give feedback to teachers as a way of making teaching better?
- How do you assess how you’re going?
- Do you have regular opportunities to discuss your learning and progress with your teacher?

Next Thursday will be the final review day. This will provide the panel with another opportunity to complete some classroom observations and then start to develop our new strategic plan. There is also another chance for parents to contribute and provide feedback. This session will commence at 9am in the staffroom. Please contact the office if you are able to attend.

## CAR PARKING

This is a friendly reminder that we all need to follow the local road rules each and every day. This includes:

- Children not to be dropped off in non drop-off areas e.g. in GHPS car park driveways, residents driveways and near the school crossing no standing zones.
- Not parking within 3m from an intersection. This makes it difficult to get in, out and around particularly if cars are trying to go both ways along Mine St.  
Children not being dropped off opposite the drop off zone and dashing across the Mine St.
- Please also note that the **school carpark is for staff only between the hours of 8.30am and 4pm**. Staff have been provided with a carpark pass to help identify their vehicle during this time. We also understand that some of our families requires access to the carpark during these times. If you are in this situation, please contact me and I will arrange a "Car Park Approval" pass for your vehicle.

## OUTSTANDING STUDENT BEHAVIOUR

One thing that can sometimes be taken for granted at our school is the exceptional behaviour of our students. I say this because every day we have so many examples of our students demonstrating excellent choices, switched on in their learning and taking care of each other. This shows that our GREAT values are not simply something written on our walls, they are alive and actioned at our school each day.

Well done to all of our students who try their best, work together, share, look at things from others points of view and keep persisting.

**James Penson**

## BREAD TAGS FOR WHEELS

Bread Tags for Wheels is a foundation that collects bread tags, sells them to a recycler and uses that money to purchase a wheelchair for those in need. Parade College is currently collecting bread tags to help a fellow student and has asked for our help.

Bread tags come in many shapes, sizes and colours. Made of High Impact Polystyrene they have a good recycling value. It takes 200 bread bags full of tags that are packed into 10 black bags or 200 kg of tags to bring in enough money to buy one wheelchair. Having a wheelchair gives the recipient independence and mobility and this makes a big difference to their families as well.

There is a tub at the office if you wish to help this cause. More information on the foundation can be found at

<http://www.breadtagsforwheelchairs.co.za/>

# ITALIAN NEWS

## An interesting fact from the Italian captains

The 'Margherita' pizza was originally made in Naples, Italy to honour an Italian Queen called Queen Margherita on June 11 1889.

**That is approximately 130 years ago!!!!**

The colours on the pizza represent the colours on the Italian flag the basil is the green.

**The tomato is the red and the cheese is the white.**

## DEVELOPING HOME-SCHOOL PARTNERSHIPS — FRIENDSHIPS

Enjoying healthy relationships has a tremendous impact on your child's wellbeing and their overall success at school. Children who develop healthy friendships generally have a definite set of social skills that help make them easy to like, easy to relate to and easy to play with. If your child is struggling to make friends consider coaching them using this three-pronged approach:

**Be open:** Some children close themselves off to forming new friendships, preferring to stick to one or two friends. Encourage your child to be open to forming friendships with a wide variety of children in and outside school and in doing so encircling themselves with many friendship groups.

**Be inclusive:** Encourage your child to include a wide number of children in their games and activities rather than restricting the possibility of joining in to certain children. Healthy friendship groups are open and inclusive of others, while unhealthy relationships, such as cliques are restrictive, one-sided and full of gossip and criticism.

**Be aware:** Encourage social awareness in your child. For instance, a socially aware child would be discrete when giving out birthday party invitations at school, being protective and sensitive to the feeling of those not invited. This level of social awareness does not necessarily come naturally to all children, but parents and teachers can reinforce it.

Remember, friends of a feather flock together

If you think that, your child does not have, as many friends as a sibling or other children their own age, do not be too alarmed. On average, children usually have only two or three significant friendships at any one time. It is the quality rather than the quantity of friendships that counts. If you are concerned that your child lacks friends at school, encourage them to take up an extra-curricular activity. It is easier to strike up a friendship with someone when you have something in common.

Above all else encourage your child to be friendly by talking to others, showing an interest in what other children do, offering help when needed and being willing to enter a new game or social situation. Consider teaching your child, if necessary, alternatives to fighting and arguing when there is disagreement and conflict within groups.

## LIBRARY

### Premier's Reading Challenge

Although there are still a few months to the end of the Challenge, I encourage all students to find a few minutes to enter the books they are currently reading online using their username and password. If your child/ren has misplaced this information please see your classroom teacher. Let's read daily and get every child a certificate of completion in September!

### Library and Information Week 20th-26th May

This year's theme is Truth, Integrity, Knowledge. This theme recognises all the ways that qualified library staff and libraries support and further these ideals.

### Library Returns/Overdues

Please remind your children to return books to the Library regularly so that they don't get an overdue notice. A Library Bag is a handy place for children to keep their book safe and ready for return on their Library day.

## WOOLWORTHS EARN AND LEARN

Earn & Learn has started as of 1st May and goes until 25th June 2019. Stickers can be redeemed when shopping at Woolworths and they can be placed in one of three boxes -

- at St Helena Woolworths
- at Greensborough Woolworths
- at school (located at the office)

There is no need to put the stickers on a sticker sheet - they can come just as they are. Get family, friends and neighbours collecting as many stickers as they can! Last time we participated in Earn & Learn we collected enough stickers to obtain play equipment in the sandpit, resources for maths and science for classrooms and lots more.
