PRIMARY SCHOOL PARLIAMENTARY CONVENTION

On Tuesday, I accompanied three of our Year 6 leaders to Parliament House to represent our school at the Victorian Student's Parliamentary Convention. The students, Rishi, Teagan and Finn were selected by their teachers based on their persuasive writing in class. The Convention provides a wonderful and authentic opportunity to speak, listen and debate in the actual Legislative Assembly chamber! The topic this year was "Should athletes and other celebrities use their popularity

to influence social and political issues". Overall, it was a powerful learning day with all three students doing an excellent job representing our school by presenting an opening statement, and also actively engaging in the debate through very articulate spontaneous responses during the "soap box" section. A real highlight was listening to all of the student's passion for their arguments, participating in an actual vote in the chamber and meeting with the Leader of the Opposition, Mr. Michael O'Brien.

Well done Rishi, Teagan and Finn and thank you to Sonia Charkisky for being a parent helper on the excursion.

CHILDRENS BOOK WEEK – DRESS UP PARADE

At Greenhills we love to celebrate all things reading. A highlight of this is our dress up parade as part of Children's Book Council of Australia's Annual Book Week. This will be held on Thursday 22nd August on the Tiger Turf @ 9:15am.

The theme for this year is Reading is my Superpower. Time to start to think about your costume!

PROFESSIONAL LEARNING PROGRAM UPDATE

At Greenhills our staff are actively involved in a rich array of professional learning throughout the year. This includes an extensive variety of in-house and externally provided programs. A GREAT example of this professional learning in action was the "Network Smorgasboard" of professional learning activities held across our local schools on Tuesday this week. Our staff had a wide selection of sessions to choose from.

Thank you and well done to Ashley Dunne and Nigel Dunne for presenting individual sessions for staff from our local schools.

Ashley was able to share and showcase how she is leading the use of "Bump it up Walls" across our school. This High Impact Teaching Strategy is based on the use of worked examples that makes the learning very explicit and visible for students. There is some wonderful use of "Bump it up Walls" in our classrooms and we even have students working together to create these for themselves.

Nigel's session outlined how we are planning for explicit teaching in numeracy. This provided staff with a snapshot of how he is leading our implementation of the maths proficiencies into practice across our school. The four maths proficiencies are Fluency, Reasoning, Problem Solving and Understanding. This ensures that students are developing a deeper understanding of maths concepts and skills, how they interconnect and how they can be applied in realistic and purposeful ways. Most importantly, our students are also writing, talking, thinking and reflecting about their maths!

GETTING READY FOR 2020

This week we started our “Experience Greenhills” sessions with our 2020 Preps visiting the Library to enjoy a literacy focused session sharing some of the wonderful books we have. The 2020 preps will also visit each of our specialist areas each week over the next month, as we build towards our students starting school next year.

At each of the Experience Greenhills times over the next 5 weeks we will also be hosting short parent sessions in the staffroom. This will be a GREAT chance to catch up for a chat and find out a little more about our school.

The session outlines are as follows:

- Wednesday 7th August – “Literacy” presented by Sharon Draper who is one of our Literacy experts. Sharon will talk about literacy at home and how to spark a love of reading.
- Wednesday 14th August “Meet with the Principal Team” - an opportunity to meet with the Principal Team with both myself and Janine Hough able to answer any questions you may have.
- Wednesday 21st August – “Numeracy” presented by Nigel Dunne (Learning Specialist). Nigel will talk about ways to engage with maths at home and how we teach maths through the school.
- Wednesday 28th August – “Home School Partnership” – find out more about how we communicate as a school and the different ways you can help at Greenhills.
- Wednesday 2nd September – Questions, Feedback and next steps.

At the other end of our school our Year 6 students were notified of their Secondary school placements for 2020. This is also a really exciting time and we are looking forward to continuing to prepare these students for the big step into Year 7.

FIRST AID

ABSENCE DUE TO ILLNESS

With a large number of students absent from school mainly due to winter illness.

It is important to advise us if your child is ill and will not be attending school, as we have some students that have low immune systems.

We appreciate your co-operation in this matter.

INFLUENZA TYPE A

We've had reported cases of Influenza Type A confirmed within our community. If you or your family members have any of the following symptoms please seek medical advice- Respiratory symptoms such as coughing and sneezing, runny nose, headaches, muscle aches and fever.

MEDICATION GUIDELINES

If children need to take medication at school, we are more than happy to administer it to your child.

Please bring the medication to the office in its original packaging and your child must collect the medication at the end of each day to take home. Medication must not be left in school bags, lunchboxes. This is a safeguard for all our students. A **Medication Administration Instructions** form is available at the office.

YARN BOMBING INSTALLATION – HELP NEEDED

Calling all sewers!!!

The 5/6 Art Action Team would like to sincerely thank Janet Lucas, Judy O'Brien, Val O'Brien, Joy Dugdale, The Kitchen Family, Miriam, and all the other wonderful parents and grandparents who have kindly knitted and crocheted components for this project, as well as those who have donated wool. With your generous contributions, and the pom poms and finger knitting prepared by students during Friday lunchtime Art Club sessions, we estimate we will have enough to significantly yarn bomb four of the trees in the Greenhills, and are planning to do this on Friday 30th August, between 12:00 and 3:30pm. In order to have maximum impact, we would love to be able to install all of the pieces on the one day.

The individual parts will be assembled into strips during the next three weeks, and then they will then need to be stitched onto the tree trunks and branches. Several students in the group can hand sew, however some will benefit from assistance. If you are able to help out with this task during our installation we would greatly appreciate it. With this job, the motto, 'Many hands make light work', will certainly be applicable.

For organisational purposes, if you are able to assist, please send me a quick email.

You can contact me at: williams.andrea.l@edumail.vic.gov.au

Thanking you in advance

Andrea Williams

BREAD TAGS FOR WHEELS

Bread Tags for Wheels is a foundation that collects bread tags, sells them to a recycler and uses that money to purchase a wheelchair for those in need. Parade College is currently collecting bread tags to help a fellow student and has asked for our help.

Bread tags come in many shapes, sizes and colours. Made of High Impact Polystyrene they have a good recycling value. It takes 200 bread bags full of tags that are packed into 10 black bags or 200 kg of tags to bring in enough money to buy one wheelchair. Having a wheelchair gives the recipient independence and mobility and this makes a big difference to their families as well.

There is a tub at the office if you wish to help this cause. More information on the foundation can be found at <http://www.breadtagsforwheelchairs.co.za/>

DEVELOPING HOME-SCHOOL PARTNERSHIPS

Language of independence building

Families always develop shared language around the values that have strong meaning for them. It is through shared language that culture exists. If you are looking to building a culture of independence in your family then creating your proprietary language around independence is a great way to start. Over the next few weeks, the Contact will feature twelve examples of independence-building language and principles behind them that will help you create your own family's language.

7. *"What can you learn for next time?"* **Goal:** Self-sufficiency

Learning from mistakes is part of the independence-building process for children. Often adult impatience or unwillingness to put up with errors prevents us from giving kids the chance to do things for themselves or take real responsibilities. If independence is to be a major part of your family's culture then it is imperative that we help kids learn from their mistakes whether social, behavioural or just messing up while helping at home.

8. *"How do you feel about this?"* **Goal:** Emotional intelligence

An often over-looked aspect of independence is the ability to self-manage your emotional state. Emotional self-management starts with the recognition of how you feel about a particular event or action and then labelling that feeling. If possible, prompt to identify their emotions before they act on them. You can also revisit events and ask children about the feelings that may have led to a certain behaviour such as hurting or yelling at a sibling.

9. *"When you muck up, you make up."* **Goal:** Accountability

Kids of all ages will make mistakes. In fact, mucking up is part of the learning process. However, kids will just repeat their mistakes unless they experience the consequences of their decisions. The use of behavioural consequences is a way of teaching children to take greater responsibility for their lives and to learn to make smarter choices.

Advice from Michael Grose

Roslyn Mackie
(Home-School Partnerships Leader)

When kids ask "the" questions... Interrelate has the answers!

Interrelate is a specialist organisation with over 90 years' experience teaching sexuality and relationship education in NSW schools. Interrelate educators are highly trained and skillful presenters.

The topic of sexuality is handled with sensitivity, openness and humour. The program offers an interactive approach to learning, with a variety of audio-visual materials, discussions and games.
