FATHER'S DAY BREAKFAST

Don't forget to put your order in for our Father's Day Breakfast which will be held next Friday 30th August. (Orders close tomorrow!)

This is always a GREAT event and one that I have very fond memories of attending with my own daughters when they were at Greenhills. Over time the PA have done a wonderful job making improvements and streamlining how the morning runs and they have certainly reduced the wait and queues for breakfast from those earlier days thanks to organisation of the ordering and option available.

Our PA Father's Day Breakfast is a wonderful community building event and there is always a GREAT vibe and atmosphere. Of course there is also a fundraising element to the morning and money raised on the day will be used to purchase classroom furniture.

BOOK WEEK DRESS UP DAY

Thanks to everyone for making the effort to dress up for the Parade today. You all looked fabulous!!

TOURNAMENT OF MINDS – GRADE 5/6

Over the past 2 terms, a group of 20 Grade 5/6 students have been participating in challenges to test their creativity, thinking and teamwork skills. They have been involved in a competition called the Tournament of Minds, where they complete a range of science, technology, engineering and mathematics (STEM) based challenges.

This hard work has led to 2 teams of seven students representing Greenhills at the Regional Final at La Trobe University, this Saturday 24th August. At the final, students will present an open-ended Long-Term Challenge, which they have been working on at school over the past three weeks. This Long-Term Challenge is a STEM challenge, which requires them to work together to develop a team minute presentation to the judges. The teams must also participate in an unseen Spontaneous Challenge.

The teams have been busy preparing this week for their presentation. Team 1, which is The Stems of Greenhills, have their Long Term challenge presentation at 12pm and their Spontaneous at 1:10pm. Team 2, The Lean Mean Green Machine - have their Long Term challenge at 12:20pm and their Spontaneous at 1:20pm. The Long Term challenges can be viewed by an audience, however the Spontaneous challenge cannot be viewed and is only completed in front of the judges.

Many thanks to Brad Ryan for co-ordinating this program. It has been a GREAT addition to our school this year and provided a powerful and engaging opportunity to extend some of our students. We wish both the teams all the best at the Regional Finals and congratulate them on their hard work and dedication.

VERTICAL GARDEN WORKING BEE

On Monday 9th September from 3.45pm – 4.45pm we will be holding our very first after school working bee. The main task will be re-planting our vertical garden which is located in a central courtyard in the middle of the Library, Music and Art rooms. Many thanks to Joanne Thom who has assisted the school to obtain a grant which has been used to purchase plants from Edendale Farm. Joanne has also worked with the Edendale team to develop a design for our vertical garden that we will be able to maintain and help bring the courtyard area back to life.

READING IS MY SUPERPOWER

This week we enjoyed a wonderful celebration of Book Week 2019. For me, these types of activities and events are what school is all about. Dress up parades and special days are a fun way to enjoy and promote a love of reading.

Congratulations to all of the winners of the 2019 Children's Book Council of Australia Awards. The CBCA presents annual awards to books of literary merit, for outstanding contribution to Australian children's literature. These books were displayed in our school library.

My favourite is "The All New Must Have Orange 430" by Michael Speechley. The book is a great read for anyone wanting a reminder that the simple things in life are often the best!

Greenhills Primary School is a GREAT reading school and we want to become even better. Our reading data is improving all the time, we have great teachers, a superb Library and of course a strong level of parent support for reading for pleasure at home.

So how do we take the next step and become an even better reading school?

At school, we will achieve this through a very strategic and detailed professional learning plan based on ensuring high levels of staff knowledge around what high quality reading teaching is and how we deliver this consistently across the whole school each and every day.

At home, you can assist your child to find an extra 10 minutes a day to read. It might be as simple as 10 minutes less on technology or reading for 10 minutes before dinner. We know that you can become better at something if you focus on it more. Reading becomes easier and more enjoyable the more you do it! If you need some motivation have a think about this: If your child currently reads for just 1 minute a day, they will read 21,000 words this year. Increasing this by 10 minutes a day will lead to 321,000 words being read in a year. It also works for those students that are already reading for the suggested 15 minutes a day. Currently these readers would be churning through 1.8 million words a year. Ten minutes more would take this to over 2.7 million!

Help your child to choose different types of books to read and also take turns to read with then. Talk about the book and look for words to pay special attention too. Most importantly, make the experience as fun and engaging as possible.

COMMUNICATIONS SURVEY

A reminder that we are conducting a survey to find out more about the different channels you use to stay informed about the school. The data from the survey will be used by our Education & Communications Sub-Committee to assist in redeveloping our school website and looking at ways to streamline and co-ordinate the extensive information we provide to keep up updated with what is happening across the school.

The survey will close next Thursday 29th August.

FIRST AID

ABSENCE DUE TO ILLNESS

With a large number of students absent from school mainly due to winter illness.

It is important to advise us if your child is ill and will not be attending school, as we have some students that have low immune systems.

We appreciate your co-operation in this matter.

INFLUENZA TYPE A

We've had reported cases of Influenza Type A confirmed within our community. If you or your family members have any of the following symptoms please seek medical advice- Respiratory symptoms such as coughing and sneezing, runny nose, headaches, muscle aches and fever.

MEDICATION GUIDELINES

If children need to take medication at school, we are more than happy to administer it to your child.

Please bring the medication to the office in its original packaging and your child must collect the medication at the end of each day to take home. Medication must not be left in school bags, lunchboxes. This is a safeguard for all our students. A **Medication Administration Instructions** form is available at the office.

YARN BOMBING INSTALLATION – HELP NEEDED

With your generous contributions, and the pom poms and finger knitting prepared by students during Friday lunchtime Art Club sessions, we estimate we will have enough to significantly yarn bomb four of the trees in the Greenhills, and are planning to do this on Friday 30th August, between 12:00 and 3:30pm. In order to have maximum impact, we would love to be able to install all of the pieces on the one day.

Several students in the group can hand sew, however some will benefit from assistance. If you are able to help out with this task during our installation we would greatly appreciate it. With this job, the motto, 'Many hands make light work', will certainly be applicable.

For organisational purposes, if you are able to assist, please send me a quick email.

You can contact me at: williams.andrea.l@edumail.vic.gov.au

CHOIR NOTES

Congratulations on the Recital Choir performing so well at the Monash Youth Music Festival on Monday. We were thrilled to receive a 2nd Prize in our afternoon section and a 1st Prize as a Novice Choir from both sections. The students not only sang beautifully, they behaved very well also. Thank you once again to Robyn for her excellent accompanying skills and Jenny for her wonderful assistance.

Our next performance is on Thursday evening 5th September, at Montmorency Secondary College, where we will be performing in the Oxfam fundraising concert. A notice regarding this event was emailed on Tuesday and put on QKR. Please complete the Permission Form either on QKR or send as a hard copy to the school office by Friday 30th August.

BREAD TAGS FOR WHEELS

Bread Tags for Wheels is a foundation that collects bread tags, sells them to a recycler and uses that money to purchase a wheelchair for those in need. Parade College is currently collecting bread tags to help a fellow student and has asked for our help.

Bread tags come in many shapes, sizes and colours. Made of High Impact Polystyrene they have a good recycling value. It takes 200 bread bags full of tags that are packed into 10 black bags or 200 kg of tags to bring in enough money to buy one wheelchair. Having a wheelchair gives the recipient independence and mobility and this makes a big difference to their families as well.

There is a tub at the office if you wish to help this cause. More information on the foundation can be found at

<http://www.breadtagsforwheelchairs.co.za/>

DEVELOPING HOME-SCHOOL PARTNERSHIPS

Developing Leadership Skills in your child

Your child has the potential to be a leader given the right circumstances and environment. The following five leadership skills have been observed in student leaders in Australian primary schools and can be promoted by parents at home.

Responsibility - Being a leader means that your child is willing to take responsibility and be accountable for their actions. Personal responsibility is shown when your child is accountable for their behaviour, for their belongings and for others. Practical ways to develop responsibility include:

- Giving them responsibility for part of their day
- Encouraging them to restore relationships with others when they mess up
- Taking responsibility for household chores.

Communication - While most leadership positions require your child to speak publicly, their communication skills can be developed through regular one-on-one or small group experiences at home and at school. Practical ways to develop your child's communication skills include:

- One-on-one conversations with adults
- Regular discussions at the meal table
- Encourage your child to participate fully in speaking activities at school.

Organisation - Personal organisational skills and the ability to organise others are important for effective leadership. Practical ways to develop organisational skills include encouraging your child to:

- Keep their personal space tidy and organised
- Use a diary to help manage their time
- Organise a weekly chores roster including all members of the family.

Teamwork - Cooperating, encouraging and accepting others are essential qualities of an effective leader. Practical ways to develop a sense of teamwork include:

- Play team games where children work together
- Encourage siblings to cook and do other chores together
- Focusing on your child's contribution to a team or group rather than individual achievement.

Emotional intelligence - An underestimated quality shared by most admired leaders is their ability to remain calm when things do not go well. This emotional intelligence skill requires self-awareness, an ability to recognise their emotions and respond appropriately to the emotions of others. You can nurture these skills in the following way:

- Help your child recognise their emotions
- Help your child recognise emotions in others
- Teach your child to shift their mood.

Leaders are needed in all walks of life – at work, in school, in families, in sport and in the wider community. The skills of leadership are sewn in the first group that they belong to – their family. By encouraging your child to be a contributing member of their family you are also helping to develop leadership skills that they can practise outside their family.
